

Design Service Program | Mega Home Program

White River™ Introduces its Design Service Program, An Exciting and Innovative Program for the Mega Home

White River™ Master Millwork Design Team

- 30 years of Interior Millwork Design Experience
- One of the Top-Rated Millwork Design teams in the Country
- International Presence: Hong Kong, France, Amsterdam, the Caribbean

Ben Johnson
Sales Manager | Project Leader

How the Program Works — What to Expect

- Contact our Master Designers, to discuss a project and schedule an appointment
- Period and traditional design layout and consultation for your millwork package
- Work closely with Architect and Designer during all phases of construction
- Work with Architects and Designers, not in competition with them
- Hand-drawn renderings of room interiors - if required
- Custom sample build-ups of mouldings for your project at a nominal fee
- Build-ups in CAD supplied if needed
- Complete and detailed estimate

What You Will Need to Provide White River to Get Started

- All available floor plans, elevations, take-offs, site maps, and design description
- Ceiling heights and room dimensions for all areas to be estimated
- Photographs for each room or area to be estimated

Master Millwork Designers Go to Work

- Advice on room proportion, millwork design — motifs and complementary designs
- Includes recommendation and advice to trim carpenters concerning blocking for millwork
- Includes installation guides and finishing recommendations
- Consolidating your beautiful and complex designs throughout the project

Expected Costs and Fees

- \$75 hourly rate for all Design Services & travel time
- Airfare, lodging, meals, and transportation to Job Site
- Average investment for Initial Site Consultation - \$2,500.00

A Word from the White River Design Team

At White River, we've been designing beautiful interior millwork packages for discriminating clients since 1980. Architects and Designers provide a wealth of design ideas, but when it comes to Millwork, you need a Millwork Expert."

"You can't get your millwork designs out of a magazine picture. And your investment in expert, professional Millwork Design will ultimately save you money while adding an immeasurably elegant dimension to your Beautiful Home."

"Call us and let's discuss your project. We think you will be surprised at how we can help you provide a beautiful millwork package and save you money. Call or email White River's Design Team today — once you see our designs, you'll love what you see."
