

Design Service Program | Mega Home Program

Your Mega Home Dreams Come True with...
Designs from the White River Design Team

You come to us with this...Defined entries,
windows, and architectural elements – but you
hit a wall when it comes to your interior
millwork design...

We can help....

We give you this....Curved millwork, handcarved elements, well-proportioned
accoutrements, period millwork packages. Professional, custom renderings
and room elevations – designed with a personal consultation at your home.

Make your dreams come true.
