

# Enduring

Custom Home Builders demand a OneSource™ approach for their Architectural Millwork needs. Their needs include Innovative Products, Design Assistance, Cutting Edge Technology, and availability for prompt shipment from the manufacturer. In addition to 8 moulding collections, curved applications, and custom quoting, White River listens to the needs of the Custom Builder and

# The Love

# of Elaboration

is considered the Industry Leader due to its commitment to beautiful products, affordable pricing, and the Best Customer Service in the Industry. Let White River's Industry Professionals help you optimize the Architectural Millwork and Woodcarvings package for your next custom home.

# Power of Beauty

Embracing Inspiration - Custom Built Entry

"When all is said and done, it was most important that I loved the details and feel of my new home. My Builder encouraged the installation of embellished mouldings in multiple applications and woodcarvings on my cabinetry. I cannot imagine my interior without these warm expressive elements."

~ Lori Brandon

New Home Owner

*P.S. I love my new home!*
